

NUIBA

Wines by Suzanne

NUIBA First Post 2024

**75% Sauvignon Blanc
25% Semillon**

TASTING NOTES:

The NUIBA First Post has upfront, and ripe fruit on the nose, with a gentle oak giving elegance and complexity. Smooth finish

VINIFICATION:

The Vineyards are situated in Devon Valley
The grapes were basket pressed. The Semillon was fermented in barrel and spent 7 months in barrel on the thick lees before blended with unwooded Sauvignon Blanc. Shows crisp acidity and beautiful complexity.

Alcohol	13.5%
Volatile Acidity	0.67
Total Acid	6.1 grams / L
pH	3.29
Residual Sugar	3.1 grams / L
